19 **AMENDED EX PARTE APPLICATION**  
20 **AND STIPULATION TO EXTEND TIME**  
21 **FOR ADR**

22 **TO: HONORABLE EDWARD J. DAVILA:**

23 **PLEASE TAKE NOTICE:** that the parties through their respective attorneys, move this  
24 court to amend the ex parte application and stipulation for an order extending the time in which  
25 to mediate this case through the court ADR services, filed on February 8, 2012. That application  
26 requested an extension to mediate the case to May 6, 2012.

27 **Good cause for the amendment exists because after a conference call with the Mediator**  
28 **and counsel for defendants, and attempts, to contact the Bankruptcy Trustee have so far been to**  
**no avail, it is necessary that in order to be prepared to mediate this matter, a 90 day extension to**  
**mediate rather than a 30 day extension is necessary.**

**This application is based upon the application, the stipulation of the parties, and on all**  
**other documents and records in the above-entitled matter.**

6 **STIPULATION**

7 The parties, through their respective attorneys, stipulate as follows;

- 8 1. The underlying claim in this matter is based on a claim for compensation for wage  
9 and hour violations while Plaintiff was employed with Makplate, LLC;  
10 2. Plaintiff filed a bankruptcy with the United States Bankruptcy Court, Northern  
11 District of California, case number 10-55790;  
12 3. Plaintiff did not include his wage and hour claim in the bankruptcy proceeding.  
13 Therefore, it was necessary to re-open the bankruptcy proceeding in order to  
14 obtain the trustee's permission to prosecute this action on behalf of Plaintiff. The  
15 bankruptcy proceeding was re-opened by Order signed December 28, 2011. A  
16 true and correct copy of that order is attached hereto as Exhibit A;  
17 4. Plaintiff's attorney has attempted to contact the Bankruptcy Trustee, Carol Wu,  
18 regarding authority to prosecute the above-entitled matter, to avoid a standing  
19 issue. Thus far, there has been no return communication;  
20 5. On February 13, 2012, A conference was held between counsel for the parties and  
21 Andrew R. Wiener, to assess the status of the mediation. Because Plaintiff's  
22 counsel has not received a response from the Bankruptcy Trustee, and the issue of  
23 initial discovery cannot be resolved until the standing issue is resolved with  
24 respect to the bankruptcy, the parties and the Mediator agreed to amend Plaintiff's  
25  
26  
27

request to this court to ask this court to extend the time to mediate the case a  
further 30 days to June 6, 2012;

6. Therefore, it is respectfully requested that this court allow an additional 60 days,  
to May 6, 2012, to mediate this matter.

IT IS SO STIPULATED
